

Dear School Supporter,

Narrows Plaza Bowl created a unique fundraiser in 2016 to benefit our local schools. *Bowling for Our Schools* offered a free game of bowling for every dollar donated through the program. *Bowling for Our Schools* was moderately successful given that it was new and different. That moderate success continued in 2017 and 2018, but did not grow as anticipated. We look to make 2019 the year *Bowling for Our Schools* raises thousands more dollars for our schools.

The concept was met with some skepticism as people wondered why Narrows Plaza Bowl would be willing to give away potentially thousands of games of bowling to send money to our schools. Narrows Plaza Bowl has a history of giving back to our community through programs that benefit individuals with special needs, that encourage reading through our libraries, that help non-profits with fundraising, and more. In 2016, we received a Community Service Award from the City of University Place and Mayor Figueroa for our community service efforts.

Narrows Plaza Bowl has given away over 8,600 free games of bowling which corresponds to our local schools receiving over \$8600.00 in donations. Some schools received several hundred dollars, while some less than \$10. We expected to be writing much bigger checks!

Narrows Plaza Bowl is once again running *Bowling for Our Schools* in 2019. We hope to build on last year's successes and reach even more potential donors to make this year's donations significantly larger. We ask that each school help us promote this program. I will be happy to provide you with an electronic version of the flyer that you can put into school bulletins or emails.
